

BALLOON RIDES IN ELOY ARIZONA

Balloon rides in Arizona are \$75.00 per person for a 1/2 hour flight or \$150.00 for one full 1 hr.

The balloon rides in Arizona are unique because my main passenger base is Skydivers. I'll take you and all your guests and skydivers up to 5000 feet and the jumpers jump and then we come back down and find a place to land. Then our crew packs up and brings us back to the launch field at Skydive Arizona, the biggest skydive center in the world. There is lots to see and do with a restaurant, bar and shops. I fly mornings and in the afternoons November through May, seven days a week. It's a great way to get a balloon ride PLUS share in the excitement of skydiving.

Skydive Arizona is located just off interstate 10 between Phoenix and Tucson at the Eloy Airport. It's about a 1 hour drive from either city.
