

INFLIGHT BALLOON WEDDINGS

Weddings in a hot air balloon can be a wonderful unique experience that is also cost effective!

I am an ordained minister and I can perform the ceremony. If you would like, you can arrange your own. The basic price is \$ 200.00 per person. You can have up to eight passengers in the balloon. A private flight for just the Bride, Groom and myself can be arranged for \$600.00. Once we land, your guests will be able to meet us for a champagne ceremony.

I can handle anything so just call 800-897-3066
